## LOVELY *greetings*

We always prepare for the Christmas holidays with lots of excitement: snuggling up and getting cosy, sharing the good times and the happy smiles that come from the magical home atmosphere and the presents.

**Browse our winter issue of Park Magazin**, be inspired by the new trends of the season and find the unique gift to let your loved ones know how important they are. During this festive period, come to MOM Park for the latest and greatest in fashion, culinary specialties and unique lifestyle and beauty products.

**Visit our cosy winter fair starting on the 23rd of November, offering a wide range of handcrafted products** like luxury chocolates, specialty teas, candles and soaps and other gift ideas to go under the Christmas tree.

If you prefer to leave the choice to your loved ones, show your care with a **MOM Park Card**.

Experience the unique festive atmosphere together at our shopping centre. Come with your family to MOM Park between **30 November and 13 December to take part in our Christmas charity photoshoot**. True to our tradition, this year we will once again offer the proceeds from the initiative for a charitable purpose and donate them to the **Living Without the Moon Foundation**. And to complete the experience, perfumer **Zsolt Zólyomi**, owner of Le Parfum luxury perfumery, has crafted a one-of-a-kind festive scent for MOM Park, which you will be able to experience for yourself during the photoshoot and we know you will love.

We would like to thank our customers for choosing us all year, for being loyal and staying together during these challenging times.

MOM Park wishes you a Merry Christmas and a Happy New Year!

# Cozy Christmas

OR THE INGREDIENTS FOR A LOVELY  
ATMOSPHERE AT HOME

## 1. Relaxing hot drink on the sofa

How about a steaming, fragrant cup of ginger tea with lots of honey in the warmth of your home? Or hot chocolate with whipped cream while it is snowing outside? Or maybe you prefer a glass of fine red wine? Look around in **SPAR** and **Anita Delicate** for divine ingredients and **Bortársaság** for a bottle of quality pinot noir. If you are still missing a warm, soft robe for the evening, explore **Tchibo's** offerings.

## 2. Winter aromas

Fresh air and delicate scents are essential for feeling good at home. Visit **Arioso**, as houseplants can improve air quality in your home and are also excellent decorative items. If you are a fan of explicit scents, look around in **Douglas** for festive home perfumes to lend your home the perfect Christmas atmosphere.

## 3. Colours and lights

Different colours and lights affect us differently. Warmer tones like brown, beige, deep burgundy and purple help us relax, and candles of various shapes and sizes give the room a more intimate feel. Visit **BUTLERS** in MOM Park and make the winter season magical with their sophisticated home decoration.

## 4. Tunes for daydreaming

Do you need anything else for your Christmas relaxation? A soothing face mask from **Müller**, a tub of hot water, relaxing music on a quality sound system will guarantee your Holiday pampering. Try the speakers from **iCentre** and recharge with your favourite tunes during the holidays.

## 5. Gifts with love

Gifts are really special if we choose them with care and wrap them ourselves with love. Choose from **Pandora's** stylish accessories or make Christmas memorable with a perfume from **Le Parfum** that is sure to hit the spot. Visit **MOM Park's gift wrapping booth** between 11 and 31 December and we will make your gifts look delightful under the tree.

## THE REAL CHRISTMAS SURPRISE

Gift a MOM Park Card this year to give your loved ones what they enjoy most. Top up any amount on the gift card, which can be used in MOM Park, so those closest to you can choose from the offering of our stores\*.

\*You can find the list of participating stores on the MOM Park website.

## Fabulous CALENDARS

Christmas without Advent calendars? Unthinkable! The history of the Advent calendar goes all the way back to Germany of the early 1900s, where an impatient little boy, Gerhard, kept nagging at his mother and wanted to know how many nights he had to sleep until Christmas. So his mother made a small calendar with 24 windows for him. This idea was a real success: as an adult, Gerhard Lang, who became an entrepreneur, began mass-producing this special calendar from his childhood.

Discover the world of the magical Advent calendars in our stores and surprise your loved ones.

# The power OF CHRISTMAS

During the Advent period, we dress up both our homes and hearts day after day in anticipation of Christmas. However, many people are struggling during this peaceful, love-filled time of the year and are in a situation where even a little help can make Christmas special for them.

For years, MOM Park has considered it important to focus on love and helping each other. Therefore, fabulous Christmas scenery and a professional photographer will await you and your family this year between 30 November and 15 December in the frame of a charity photography. The proceeds from the postcards and calendars made from the photos taken will be donated to the Living Without The Moon/Sun Foundation this year, who have been developing a uniquely versatile digital child-support service for families in Hungary and throughout the European Union since 2009. The work of the foundation located in the 12th district is innovative even from a global perspective.

Book your appointment on MOM Park's website and make your own and others' Christmas even more beautiful.

# Make your WINTER COOL AGAIN

Are you in need of some Christmas decoration inspiration? Put your heart and soul into it: create handmade labels and unique decorations. One of the trends this year is sustainable minimalism and environmental protection, so use wooden ornaments, cones, tree branches, and natural coloured papers from **Pirex**. Or do you prefer a decadent Christmas instead? Then look for fun, colourful accessories. If nostalgia is your cup of tea, choose retro ornaments and vintage glass balls from **BUTLERS**.
